

F1 in Schools

1 - Dream Makers

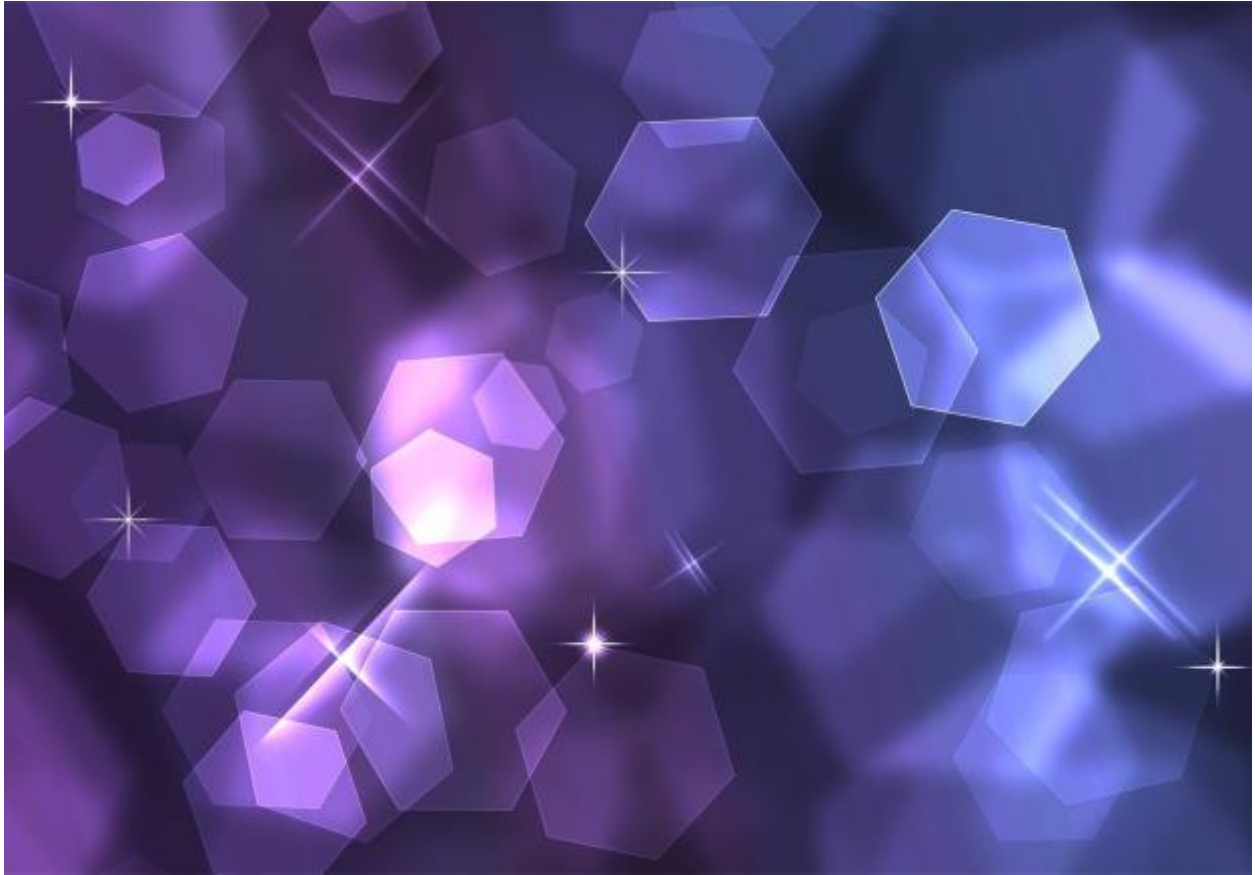

Roles of our Team Members

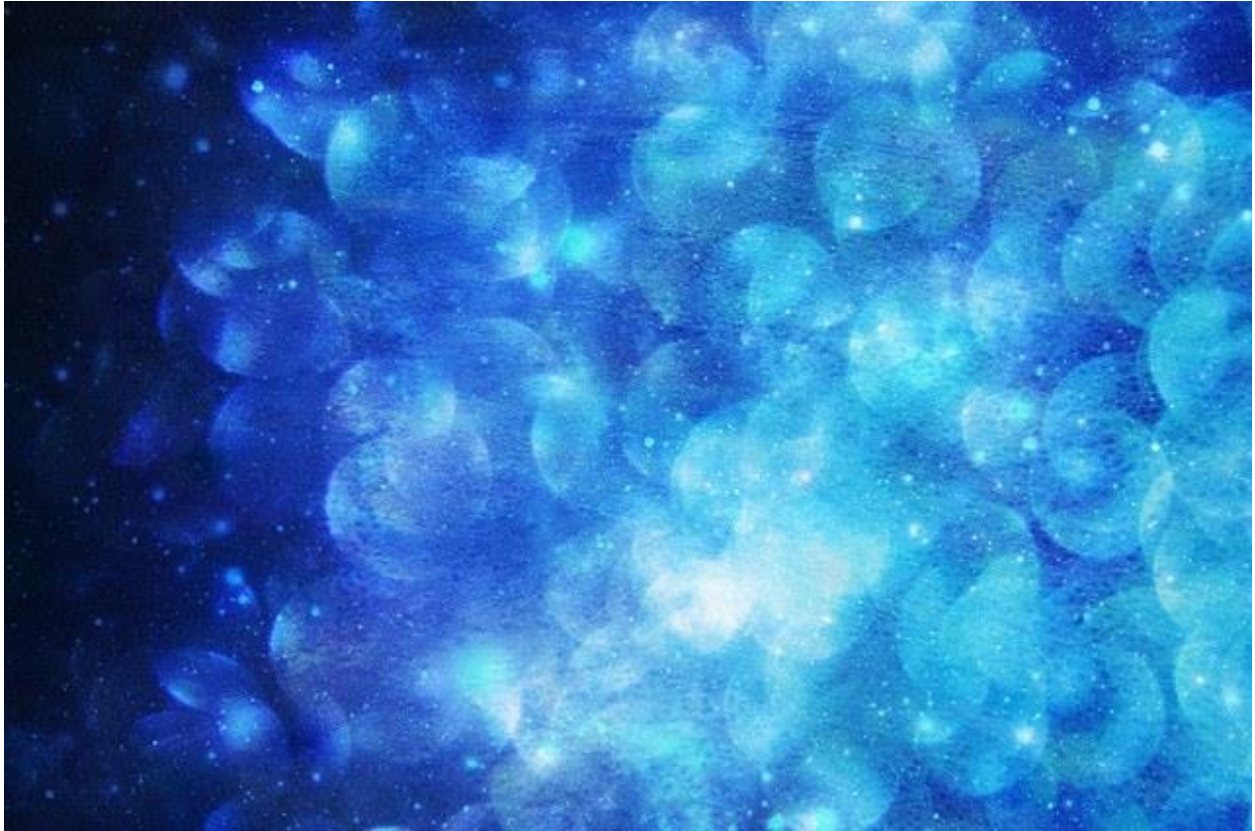

Abhiveer Bhadur Singh as Team Manager

Anany Tiwari as Design Manager

Siya Dlwedi as Resource Manager

Yashasvi Srivastava as Sponsorship Manager

Prakhar Pandey as Manufacturer Engineer

Abhiveer as Team Manager helped in over all work for the team including the making of social media platforms and also monitored the team members while working

Anany as a design Manager helped in making the car by taking in the mind that it should be fast . So he took the blue print of the train JR-MAGLEV and the car BUGATTI VEYRON because they are the fastest things.

Bugatti Veyron is the fastest car on the planet

THE Golden Eagle is the fastest bird on planet.

Black Marlin the fastest creature in the ocean

Prakhar as Manufacturer engineer helped in painting the car and spray painting it. He also helped in fixing the car wheels and axles and pasting the the stickers.
